

Subcouncil Achievement #4
Meeting Minutes-November 12, 2009
Millard Central Middle School
12801 L Street
Omaha, Ne. 68137

The meeting was called to order at exactly 1:30 PM by Brad Burwell. It was announced that the public meeting notice was posted and available for public inspection.

Roll call indicated that Brad Burwell and Dwite Pedersen were in attendance and that Rick Kolowski was absent due to out of town travel. Motion moved, seconded and approved to excuse Rick Kolowski.

Call for public comment did not yield anyone to speak.

The first order of business was the updates on the diversity task force and elementary learning center task force. These reports were made by Brad Burwell and Dwite Pedersen. After spending some time gathering input from both Millard and Elkhorn personnel regarding the DTF plan, there were no substantive admendments to be made so a motion to accept the DTF plan as currently written was made seconded and passed by Burwell and Pedersen.

Next order of business was the presentation of the LEP and Poverty plans by each district. Mark Feldhausen presented for Millard and Steve Baker for Elkhorn. After presentation, motion was made to accept and forward to full council for approval. Motion passed.

Our final item was a presentation by Kara Hutton and staff on the Montessori program at the middle years at Central Middle School. Many people were in attendance and did comment on the popularity of the program and were encouraged that the Learning Community could expand on this program as a focus program in other districts.

Next meeting will be on December 10,2009 at Millard Horizon High School to discuss career academies and take a tour of the facility.

Meeting adjourned at 2:55 PM.
